Minor – Computer Science

The Department of Mathematics, Computer Science, & Statistics offers a minor in computer science. The minor is structured to provide the student with a basic foundation of computer programming and supplies exposure to more advanced computing concepts through elective courses. Students seeking a minor in computer science are encouraged to consult with the academic advisors in the Department to customize the program to satisfy their needs.

Computer Science Core:

CSC	1104	Found. of Comp. Science I
CSC	1114	Found. of Comp. Science II
CSC	2203	Data Structures

Computer Science Electives:

6 hours	Jr/Sr Comp. Sci. Courses

Mathematics:

MTH	2283	Discrete Mathematics
