With the exceptions of formatting and minor corrections, we printed the authors' papers as submitted, employing a form and style appropriate to their respective disciplines. The editor expresses appreciation to the Office of the Provost and Vice President for Academic Affairs, who allocated funding for this publication. Also, thanks to Steve Fellers for the cover artwork, Tim Jones for soliciting bids, and the Henderson State University Multimedia Learning Center for printing and binding the editions. We are grateful to the authors and proofreaders, whose contributions continue to make the *Academic Forum* a success. The authors retain copyrights, and republication or reproduction requires their consent.
