⁴ Aviation Management Track students must also select and complete a minor field of study. Minors range from 12-18 hours depending upon the field. Students must also complete 42 hours of upper level credit as well as complete 120 credit hours overall to graduate. Appropriate electives may be used when necessary for credit hour requirements not otherwise addressed by the liberal arts core, major and minor course requirements. It is the student's responsibility to understand and abide by undergraduate catalog for all graduation requirements.

⁵ While not a part of the Liberal Arts Core, each student must take one (1) additional 3000- or 4000-level writing intensive course in the major area of study.
