

Criminal Justice Minor

The minor in criminal justice requires completion of 18 credit hours consisting of a nine hour core and nine hours of directed electives.

The department's goal for the criminal justice minor program is being committed to high quality instruction in criminal justice. Criminal justice students in the minor program will gain insight and knowledge in theory, and major substantive areas in the field. The minor is designed for students wishing to complement their major field of study and/or enhance their entry into employment
