New Business-

-Staff member is concerned about the overuse and inappropriate use of the campus listserv as well as the reply all function. The senate approved a motion to draft a letter to Dr. Ambrose requested that the University create an etiquette policy for use of University Listserves as well as the "reply all" function.

-Senator Requested an updated list of what staff/faculty are here. In addition, need direction and guidance of what classes are actually going to be offered in the fall and which instructors will be teaching.

-Stacey Howard from the foundation announced that heart checks from the foundation are in process and will go out this week.

Next Meeting: June 15 at 10 am
